

CHAPTER TEMPLATE

- Photo copy this template for each chapter you wish to include in your book.
- Fill in all relevant fields and any other information you wish to include on each chapter page.
- Place each chapter page in the exact spot that you want it to appear within the document.
- Chapter pages will always appear as a right hand page unless otherwise specified.
- If you wish to include artwork it must be attached to each chapter page with paper clips **not staples** or provided on a disc labelled with the corresponding chapter number.
- All artwork on chapter pages will appear in black and white.
- Your chapter pages will be designed to appear similar to those in the sample book you have been given.
